**Sunday, May 8, 2022 – Mother’s Day**

Where are Jesus and the disciples when this episode starts?

Why does that matter?

Who approaches Jesus, and what is her presenting problem?

What does she have working against her?

How do the disciple’s react to her? How does Jesus react to her?

When the mother finally speaks to Jesus, what does she ask?

How does Jesus respond? Why?

Describe how you feel about her reply.

In the end, who is the hero of this story?

What can we learn about faith in God from this episode?

**Next Week, we will begin a series rooted in the “Broken Signposts” of our world – the ways in which the attributes of God still show themselves in the world around us, and how we can find them and restore them back to what God intended for them.**
