EQUIP

Make a difference with your time, talents and treasures.

Toddler Room Volunteers Needed: Our church has been blessed with many new babies over the past few years and those babies are now entering the Toddler stage! We need to reopen our Toddler Room to help the young families in our church. This would be a rotating schedule were two volunteers simply watch over the littles as they play during the service. If a complication arises one volunteer may step out to alert the parent of said toddler. Up to date criminal record checks are required, please speak to Tyler Klumpenhower if you are able to help restart this needed ministry. It would be great to see individuals who are not related to the toddlers step up and help, many hands make light work.

THE QUEST

A year round camp and retreat center on beautiful Christopher Lake.

Quest Update: It's been a good summer at camp, we are building momentum for next year. Our camps have been small but people have been very happy with the camps and our staff have been doing great. Small camps mean less revenue, please pray for our finances.—Gil Klassen

DISCIPLESHIP

A personal follower of Jesus Christ who assists in spreading the gospel.

Discipleship and Evangelism is looking for committee members. If you are interested in being a part of the ministry team, please let Erica Bailey know by email or phone.

TEACH

Each month we hope you learn something new about God and share it.

A Verse To Think About:

I lift up my eyes to the mountains— where does my help come from? My help comes from the Lord, the Maker of heaven and earth. He will not let your foot slip— he who watches over you will not slumber.—Psalm 121

Trust in the Lord with all your heart and lean not on your own understanding.

In all your ways submit to him, and he will make your paths straight.

—Proverbs 3:5-6

When we put our trust in God, as a daily walk and not as a last resort, we know that we have the unwavering love of Jesus and the help of the Holy Spirit to guide us through any situation that comes our way. Therefore, be strong and courageous.—Gerry Ginter
