

**Sermon Worksheet – Seven Signs of Jesus #2**  
**John 2:12-22 - Cleansing and Becoming the Temple**  
**First Baptist Church, Prince Albert, January 29, 2023**

**Review** - What is a sign from God meant to tell us?

What did Jesus do when he changed the water to wine?

What should our response be?

**Today** - What does Jesus see when he comes to the temple?

Who is being excluded from worship because of the state of the outer courts?

What is Jesus doing, by chasing the animals, their keepers, and the moneychangers out?

Why does he seem to “get away with it”?

What claim does he make, and what do the people listening actually hear?

What does He actually mean, and when do the disciples understand?

What do you believe about Jesus, and what are you willing to do about it?

**Application**

**Next week, we will continue to learn about Jesus through his signs, as he heals the nobleman’s son in John 4:46-54.**
