

Upcoming Sermons

This morning we welcome Eric Bailey to share with us “The Problem of Reputation”.

Paul shares his heritage and how all the things he has accomplished and could take pride in, have no impact on his salvation. He is saved because of Christ. Not only that but he is being transformed not of his own doing but by Christ.

"I want to know Christ - yes, to know the power of his resurrection and the participation in his sufferings, becoming like him in his death and so somehow attaining to the resurrection from the dead." Phil 3:10-11.

Next Sunday we welcome Erica Bailey to share a message with us as Pastor Jim will still be away on holiday.

New To First Baptist Church?

On the backs of the chairs, we have communication cards you can use to ask questions, let us know you were here today, or even to write out a prayer request. You can give your completed card to one of our church leaders.

Our toddler room is located off the foyer with a mom’s nursing room adjoining. Children aged 1-3 are dismissed from the service before the sermon for Toddler Time and those kids aged 4-10 for an age appropriate teaching time that is lots of fun. Pizza Boxes are available in the foyer with color and activity pages for children who wish to remain in the service.

Following the service, please feel free to join us in the gym for coffee and treats and to get to know one another.

First Connections is a weekly e-mail sent from the church office with news of church events. If you would like to be on this list please e-mail the office at office@fbcpa.net. There is also an e-mail list for prayer requests. If you would like to receive prayer requests please e-mail the office.

TEACH

Each month we hope you learn something new about God and share it.

A Verse to Think About:

'Be joyful in hope, patient in affliction, faithful in prayer.'
—Romans 12:12

Three words from Romans 12:9-13 that list good directives for Christian living: "patient in affliction". As most of you know by now, I have been dealing with health issues the last six months or so. I describe them as "extreme pain episodes" lasting from 24-48 hours. So far, no known cause for them. I don't know what type of affliction Paul is referring to in these verses but I am applying them to my health. Patience isn't easy for me, especially when I'm hurting. If you are going through afflictions, whatever they may be, pray that the Lord will help you to be patient in affliction too. I sure am!
—Albert Heal
