Patience in Suffering
First Baptist Church, Prince Albert
September 18, 2022

Review

James shared three warnings last week:

1. To all the readers –
2. To the working wealthy –
3. To the wealthy oppressors of the church -

Today

How does James express that the Return of the lord may be soon?

How does this part of the letter resemble the beginning of the letter?

Who does James use as an example of patience in suffering?

Why do you think James commands his readers to speak simply and honestly?

Application –

Next week, we shall conclude our sermon series of the Letter of James.
